

Storytelling at its Best!

Celebrate the magic of Storytelling. Everyone, young, old and in-between, will be enchanted with the exceptional tellers who carry you to other times and places. Stories told in large tents using the best sound systems creates the perfect setting on the grounds of the John Blue House. Pick up your registration materials Friday from 3–6 p.m. at the Registration Tent.

Each of the nationally-featured tellers will present a workshop and continuing education units (CEU) are available. The 5 regional tellers and competition winning youthful voices will wow you. The Children’s Play Place, the Sharing Stage, vendors and crafters, the miniature train rides, the Museum and the John Blue House make this an unforgettable and joyful weekend you do not want to miss.
